NATIONAL MARROW DONOR REGISTRY TODAY SURPASSES 10 MILLION VOLUNTEERS READY TO GIVE THE LIVING GIFT OF LIFE

HON. C. W. BILL YOUNG

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 8, 2012

Mr. YOUNG of Florida. Mr. Speaker, I rise to share with my colleagues some good news about a life-saving program begun by this House 25 years ago. The National Marrow Donor Program (NMDP), now publicly known as Be The Match, marks another major milestone today as it has signed up its 10 millionth potential volunteer bone marrow donor on its Be The Match Registry®.

With a small appropriation of funds in 1986, the National Marrow Donor Program began to recruit potential bone marrow donors in the Fall of 1987. The registry started with a list of 10,000 volunteers who had signed up at small bake sales and community events all over the country with the hope that their donation of bone marrow would save the life of a man, woman or child with leukemia or any one of 60 otherwise fatal blood disorders.

With the odds of finding a matched, unrelated marrow donor at greater than 20,000 to one, federal support was required to establish a registry large and diverse enough to find donors for patients in need of a second chance at life. Today, the Be The Match Registry is the largest and most diverse listing of potential marrow donors and cord blood units in the world and has direct relationships with registries in 37 other nations.

Because of the committed volunteer registry members, Be The Match has facilitated more than 50,000 transplants for patients with leukemia, lymphoma and other life-threatening diseases over these past 25 years. Half of the 50,000 procedures facilitated by Be The Match were performed in the last five years alone—demonstrating the great momentum behind transplant therapy. By 2015, Be The Match plans to double the number of transplants it facilitates annually, to more than 10,000.

Today, Be The Match continues to grow to meet the needs of patients whose best—and often only—hope for a cure is a marrow or cord blood transplant. Each of the 10,000,000 volunteers, and every additional member of the registry we recruit, represents hope to the thousands of patients who search for a match every year.

Mr. Speaker, I want to congratulate and thank all of the members of this House who

have been a partner with me in establishing this modern miracle of a program that has given hope to thousands of families here in the United States and all around the world. And I invite all of my colleagues to join me in commending the NMDP and Be The Match for recruiting 10 million registry members in every Congressional District, and for the dedication of its staff members and thousands of volunteers to the noblest of causes to save the life of another person.

RECOGNIZING THE 2012 RECIPIENTS OF THE MCGOWAN COURAGE AWARD

HON. JIM JORDAN

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 8, 2012

Mr. JORDAN. Mr. Speaker, I appreciate the opportunity to share positive stories about young people from Ohio's Fourth Congressional District who overcome adversity. Today, I am pleased to share the stories of seven such individuals.

Alex Armstrong, Clear Fork High School. Alex refuses to allow Asperger's Syndrome to get in the way of pursuing his passion for music. He is a field commander for Clear Fork's marching band, participates in the stage and concert bands, and plays the organ at his church. Alex's leading roles in National Honor Society, the French Club, and the Tech Team are an inspiration to his teachers, who attest to his hard work and friendliness.

Katie Cabrera, Crestview High School. Challenged by family circumstances that have forced her to take control of her own health care decisions, Katie has the respect and admiration of her teachers and school staff for the responsibility she shows in dealing with diabetes. Her confidence, courage, and independence are a model to young people and adults alike. Katie plans to attend college after graduation.

Emily York, Lexington High School. A devastating motorcycle accident four years ago left Emily with third-degree burns over most of her body. She has endured multiple surgeries, skin grafts, and a serious leg infection resulting in amputation. After spending more than 18 months away from home in hospitals, Emily has returned to school, where her dedication is a model to her fellow students. She plans to study art therapy.

Mercedes Sawyer, Madison Comprehensive High School. Mercedes has suffered strokes and seizures caused by a rare and untreatable mitochondrial disease. She has fought this disease with diet changes and regular exercise, which has boosted her energy level and allowed her to participate in soccer, swimming, and track. A volunteer with the United Mitochondrial Disease Foundation, she will attend the University of Iowa this fall.

Travon Slaughter, Mansfield Senior High School. Coping with chronic pain and muscular atrophy caused by a stroke he suffered in the womb, Travon's positive attitude and sense of humor have won him the admiration of his teachers and fellow students. He entered the Early Childhood Career Tech Program, has worked at Madison Early Childhood Learning Center, and has plans to start his own daycare center.

Claire Engelken, Ontario High School. Claire has earned the respect of her peers and teachers for the way she has dealt with Asperger's Syndrome and scoliosis. Her passion for planning and for improving her communication skills continues to be an asset to her in her schoolwork. Claire has worked with the Pathway Program and wants to further develop her love of animals by working in an animal shelter or veterinary office after graduation.

Caitlyn James, St. Peter's High School. Caitlyn will not allow the challenges she faces at home to overwhelm her positive spirit, strong faith, and commitment to fight injustices. She recently made a presentation at a child abuse prevention awareness event that she coordinated at St. Peter's. Caitlyn plans to continue her selfless service to others following graduation and is considering serving in the Armed Forces.

Mr. Speaker, the Rotary Club of Mansfield, Ohio, will present these seven students with the McGowan Courage Award today. I am proud to join the Rotary in acknowledging their significant achievements and wishing them continued success in their lives.

IN HONOR OF POLISH CONSTITUTION DAY, 2012

HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 8, 2012

Mr. KUCINICH. Mr. Speaker, I rise today in honor of Poles, Polish-Americans on the occasion of Polish Constitution Day.

Polish Constitution Day is a day when people of all cultures join with the people of Poland to celebrate the rich culture, traditions and history of Poland. After almost five centuries of struggle and perseverance, the Governmental Statute of Poland became the first written constitution in Europe on May 3, 1791. The Polish Constitution established the separation of government powers, freedom of religion, and abolished elements of serfdom, all of these are key elements of freedom and democracy.

The Polish American Congress strives to make Americans of Polish heritage more successful and involved U.S. citizens by encouraging them to assume the responsibilities of leadership. Since its foundation over sixty years ago, the group has created programs to successfully integrate people of Polish decent in the U.S. and enrich Cleveland's social fabric. These programs include the Displaced Persons Program, which allowed almost 150,000 Polish immigrants to enter the U.S. after World War Two. The group also won American veterans benefits for Polish Veterans of both World War One and World War Two. The Polish American Congress has played a crucial role in the Polish Community, and in its many years of support and service has been an invaluable contribution to the City of Cleveland and this nation.

Mr. Speaker and colleagues, please join me today, Polish Constitution Day, in honoring the struggles, courage and triumphs of the people of Poland and honoring all people of Polish descent. Through their successive struggles for freedom, the people of Poland have given the world hope.
